

italian DINNER

The 2017 FSYC Calendar of Events was kicked off on Saturday, January 21, 2017 via The Spaghetti Dinner. The event was held at The Radisson in Covington, KY.

The evening started off with a happy hour where an eclectic array of cheeses were displayed with water crackers and toasted baguettes. An Italian buffet was set up consisting of spaghetti topped with marinara sauce and meatballs, spaghetti ala carbonara with alfredo sauce and bacon crumbles, spring mix salad, Caesar salad, and garlic bread sticks.

We danced to the tunes of The Gamut. They are a local band

and sometimes play at Pirates Cove or The Sand Bar. If you have the chance, check the band schedules of both the venues and stop by and enjoy their music.

We continued the Italian theme on into the after party where pizza and salad was available to all who came to the party.

Thanks to all who attended. Mark your calendars for the Commodore's Ball to be held on Saturday, January 20, 2018.

From Your Commodore

Welcome to all new members and returning members. I can't believe I am into the 2nd year as your commodore. The time has gone by very quickly and has for the most part been lots of fun. We have a few changes within the

Bridge and Committee Members. Please welcome Mary Pfenninger as our new Secretary. Mary is on C Dock, and replaced Jennifer Henley who is on A Dock. Thanks to Jennifer for her time spent as our secretary.

We also have Dana and Terry Weaver of B Dock who are fulfilling the Quartermaster position. Previously, Susy Evans of D Dock was our Wine Steward and Beermeister (along with Mark who supplied the muscle). Thanks to you both for all that you have done and continue to do for the club. Mark Dawes is our new Communications Officer, in addition to Education Chair. He took over the communications role from Tom Arnold who recently retired and moved their boat up to Michigan. Thanks Tom for all your hard work and early morning emails. I'm glad to see I'm not the only early bird.

In Mark's role as our new Communication Officer, he has been developing (it probably will be active by printing time of this article) a new web site for the club with a new membership module, easy access for members to update their information, along with a slew of other new and exciting things to make the Membership Chair role much easier to administer memberships.

Along with a new membership module, we now have a new Membership Chair. April Shereda of B Dock, has volunteered to serve in this position. Thanks to Wendy Gibbs for stepping in last year to handle this role. I appreciate your help and best of luck with your new boating experience in Cumberland. Hope to see you at some of the events.

Please thank all outgoing individuals for their help, and welcome their replacements.

From the Vice Commodore

Ahoy fellow boaters. It is so good to get back in the marina and back on a boat after a long Winter.

The newsletter is one of my responsibilities. Thank you to everyone who got their articles in on time.

However any member may submit an article and or photographs and I encourage you to do so. Just send them to me at efmjr@fuse.net.

I would like to thank our sponsors. I encourage you to use them and to tell them that you saw their ad in the newsletter.

The thing that continues to impress me is how we help each other. Another responsibility for the vice commodore is the club house. At all of the events, your help in cleaning up after the events has been tremendous! If you see something that the club house needs, please let me know. I order plates and other provisions for the club house. Please read the by-laws for the yacht club. It will help you to determine when the club house can be used.

I look forward to seeing you at future events and I would love to hear your suggestions for other activities.

Captain Ernest McAdams, Jr. - FSYC Vice Commodore

From the Rear Commodore

The 2017 FSYC season is in full swing with several excellent events already in the books. This is my eleventh year on the Ohio River and My first as Your Rear Commodore. The club has a packed schedule of events again this year. I look forward to meeting all of our new

members and getting to know everyone again. As the season unfolds I hope to see all of you out on the river on anchor or at one of the beaches. Please check our web page on the web for any updates and a complete list of events. In closing, I would like to encourage all members to get involved. Be engaged, it's your club! My Dad told me some 40 years ago, "boating brings people from all walks of life and all kinds of boats with one common passion, the love of the water".

Fellow boaters, due to some **unfortunate circumstances** I have come up with some **fortunate solutions**.

We have a simple solution that can notify you by smartphone, telephone or email that your **boat is without electricity** (think food in the refrigerator, etc.), is reaching a **critical level of water in the bilge**, is approaching a **critically low temperature** in the winter, or has been **entered without your consent**. Any of these repair costs will exceed our low monthly monitoring and system costs.

In addition, we can handle all of your Audio and Video needs and are an Intellian dealer for satellite solutions.

Hello Boaters,

Welcome to another great boating season at the Four Seasons Marina! We're glad to see all our friends again, and give an extra special welcome to all the new members of the Four Seasons

Yacht Club. With so many different fun events hosted by the Club spread throughout the year, there's always something fun to do either at the clubhouse or on the docks (when you're not out on the river.) We always have a great time, even when the weather doesn't cooperate!

Membership in our Club is truly a bargain since the \$100 membership fee covers 2 adults and any children under 21 in the household. With the variety of events that we provide, there's always something fun to do for everyone. And, don't forget the free coffee and donuts every Saturday morning!

The membership year runs from June 1 through May 31 of the following year -- but we encourage you to renew as early as possible so that we can get the new membership cards printed and distributed to you prior to the expiration date.

To all those folks who have already joined or renewed, a big Thank You! Happy Boating, everyone!

Health & Welfare / Historian

I am Jack Halenkamp and one of the benefits of being the spouse of the Commodore is that you automatically assume the role as Yacht Club Historian (official picture taker) and Health and Wellness Committee, of one (card sender)

Until Mark Dawes revamped the web site, the only way to view the pictures I take was to be part of the Four Seasons Yacht Club closed group on Facebook. With the new web site you will be able to see all the pictures the Commodore decides to have posted for viewing. The reason I say that as most of you know I may take several shots in order to make sure I get a good one. Hopefully this system will be seamless and easy to use.

Poem - The Wife Names the Boat

"Name the boat" the captain said,
"Please name the boat before I'm dead."

I always do what he commands
So here I am with pen in hand.

"Give her a name we've never heard.
But don't confuse us with your words.
Make it clever but fairly plain.
How hard can it be to find a name
To suit this boat, this saucy lass,
Who's sleek and trim and rather fast?"

I think of places we have been:
CAPE ANN and MYSTIC, FAIRHAVEN.
We've had two KNOTs do we want a third,
(Though it can be a clever word?)
FORGET ME KNOT once graced our transom,
CERTAINLY KNOT might look as handsome.
KNOT AGAIN and KNOT THIS TIME
Are just two more that fit my rhyme.

I could name her for some fowl.
We've had a SPARROW, but not an OWL.
A reference to age might work best.
HEAVEN CAN WAIT or ETERNAL REST.

Perhaps a name with salty flair:
SEA CHANTY, SEA SAW, the MERMAID'S CHAIR.
There's TWO BY TWO of Noah's fame,
TWO IF BY SEA was once our name.
BLESSED EVENT, NEVER ENDING STORY
Come from our days of youthful glory.
As we travel west and north,
Trouble seems to dog our course.
If we survive and still are sane,
I'll vote to name her CALAMITY JANE.

My head is now spinning, my hand's growing weak.
Where is the PERFECTION that I seek.
Please give me PATIENCE, a little ENDURANCE.
I think I just need some self assurance.
I know that a boat name can't say it all
It just has to work as a radio call,
Something to put on our documentation
that speaks rather well of our reputation.
Could somebody famous lend us their name.
Maybe not CAPTAIN KRU, but
There's always MARK TWAIN.

Through every porthole the sun has now risen.
Please find me a cure for my indecision.
Another day, another list?
Will there be no end to this?
What would please my jolly skipper
SUN SALUTATION or the BIG DIPPER?
RIVER DANCE, YONDER, FARE THEE WELL
Would HAPPINESS PROJECT ring his bell?
What would look good with our port of call?
How about nothing - nothing at all.

AWEIGH WE GO in morning mist.
Naming boats is hit or miss.
I swear before we end this day,
I'll choose a name, COME WHAT MAY.

Good Captain sit down, tie yourself to the mast
I've chosen a name for this vessel at last.
I christen her MOONDANCE; that is her name.
If people don't like it, I'll take the blame.
Choosing this name did not come with ease.
You haven't exactly been easy to please.
But MOON as a nickname gives us a way
To remember your sister, that rag bagger Kay.
Whose face was round and full of light,
Especially when sailing the waters so bright.
And...

When you're ready to sell her come some future June,
You can announce to your broker "I'm OVER THE MOON".

Kentucky Derby Party

The FSYC celebration of the 143rd running of the roses was held on Saturday, May 6 starting at 4:00pm. The previous week was filled with rain, and the forecast for the day did not look promising.

When the sun came out that morning, I was very pleasantly surprised. The sun stayed out for the majority of the day. While a little on the chilly side, it turned out to be a beautiful day.

Many of the ladies, and some of the men, were decked out in their finest. There were many activities during the party to enjoy. Mark Evans brought his handmade horse game that was a big hit. Don Hedrick, Gary & Lois Bolte, and Vice Commodore Captain Ernest McAdams sold the horses in the grab bags. We had 17 of you pick the winning horse from the bag.

Dave Petry did a fabulous job with auctioneering off the horses. The highest bidder for the winning horse, Always Dreaming, was purchased by Susy Evans. The highest bidder for the losing horse, Thunder Snow, was purchased by Bob Pattison. Susy and Bob split the pot of over \$900.

After the race, we announced all the names and numbers of the ladies and gentlemen who were participating in the hat contest. After the votes were counted, we had 4 winners.

Ride Em – Best Ladies Horse Theme went to Mary Pfenninger

Too Hot to Trot – Best Ladies went to Brea Lightner

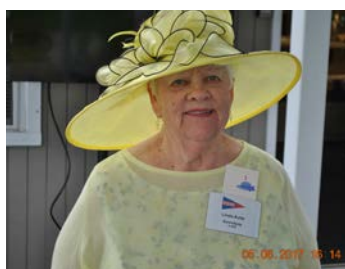

Hat A Tude – Best Handmade went to Denise Harris

Dapper Dan – Men's category went to Steve Pfenninger

A special thanks to Donna Hedrick who helped decorate before the party and cleaned up, and Bryan Ross who ensured we had the blue awnings up and tents in case of rain, in addition to everything else you did. I couldn't have handled this party without either of you.

A special thanks to our photographer, Jack Halenkamp (yes we are related) for taking pictures during all the events. And thanks to all the other folks who helped with set up and cleaning up afterwards (Gail Caines was sweeping everyone off their feet with our new sweeper). I appreciate everyone's help making it a true group effort for a fun event.

March Madness

This year we were able to have the March Madness back in our clubhouse! Last year A dock was under construction. We were able to use our new television for more viewing pleasure. We are not sure if anyone really watched the games, but we had fun with the trivia contest.
